

IF [\(midi\)](#)

1. If a picture paints a thousand words, then why can't I paint you,
the words will never show, to you I come to know.

If a face could launch a thousand ships, then where am I to go,
There's no one home but you, you're all that's left me, too.

And when my love for nights is running dry,
you come and force yourself on me.

2. If a man could be at two places at one time I'd be with you,
tomorrow and today, beside you on the way.

If the world should stop revolving, spinning slowly down to die,
I'd spend the end with you, and when the world was through -

then one by one the stars would all go out,
then you and I would simply fly a...w.....ay.
