

Sundown [\(intro\)](#) [\(midi\)](#)

1. I can see her lying back in her satin dress
in a room where you do what you don't confess.

Sundown, you better take care,
if I find you been creeping 'round my back stairs.

Sundown, you better take care,
if I find you been creeping 'round my back stairs.

2. She's been looking like a queen in a sailor's dream,
and she don't always say what she really means.

Sometimes I think it's a shame,
when I get feeling better when I'm feeling no pain.

Sometimes I think it's a shame,
when I get feeling better when I'm feeling no pain. ~

3. I can picture every move that a man could make,
getting lost in her loving is your first mistake.

Sundown, you better take care,
if I find you been creeping 'round my back stairs.

Sometimes I think it's a sin,
when I feel like I'm winning when I'm losing again.

4. I can see her looking fast in her faded jeans,
she's a hard loving woman, got me feeling mean.
Sometimes I think it's a shame,
when I get feeling better, when I'm feeling no pain.
Sundown, you better take care,
if I find you been creeping 'round my back stairs.
Sundown, you better take care,
if I find you been creeping 'round my back stairs.
Sometimes I think it's a sin,
when I feel like I'm winning when I'm losing again.....
