

SAINT AGNES K-8 SWIM TEAM

REGISTER ONLINE NOW!

The Saint Agnes Swim Team seeks to take students who already know how to swim and develop their strokes, build physical conditioning, and gain experience in competitive swimming. We will compete in 2-3 regular season meets as well as the CAA Prelims and Championships. All students are welcome whether they have extensive experience in competitive swimming or no experience at all; however, *in order to be part of the team, a student must be able to swim the length of the pool (25 yards) on their own.*
