

SAINT AGNES SCHOOL

Rooted in Faith & Tradition - Growing In Wisdom

May 10, 2017

Dear parents and students of the Class of 2018,

We are pleased to offer the second annual *College Application Boot Camp* at Saint Agnes School. *Boot Camp* is a four-day, intensive workshop to jump-start the college application process, ensuring that students are on-track as they begin their senior year.

At Boot Camp students will:

- Complete at least one full college application
- Write and revise application essays
- Complete an activity resume
- Discuss college majors and careers
- Attend group workshops
- Meet with a guidance counselor for individual conferences, as needed
- Visit a college campus
- Talk with college admissions representatives

In attending *College Application Boot Camp*, students will receive the personalized assistance they need to work successfully on their applications. Students will be able to get their questions answered in real time. As the deadlines for applying to college are getting earlier and earlier, it is important to begin the application process in the summer.

If you are interested in signing up for *College Application Boot Camp*, please complete the registration form (both sides) included with this letter by Thursday, June 8th. Additional copies are available in the Guidance Office. Cost for participation in the *College Application Boot Camp* is \$90.00 (non-refundable after July 1). We will contact you via e-mail to provide you with further details as the summer progresses.

Please contact Mrs. Kemp with any questions. We hope to see you at *Boot Camp*!

God Bless,

Mrs. Rachel Kemp
