

\$50.00 PCs for Nonprofit Organizations

Our inventory of high quality refurbished computers has grown and our warehouse is overflowing.

So we want to share our good fortune with you and your organization!

For a limited time, we're offering complete desktop PC systems with LCD monitor, keyboard and mouse starting at just \$50.00. (*laptops as low as \$100.00.*)

All have a registered copy of Windows 10 Professional and a full one year replacement warranty!

Add Microsoft Office Home & Student 2010 edition for \$20.00.

Economical system upgrades are available such as additional memory, higher capacity hard drives and larger monitors.

This is the perfect opportunity to obtain PCs to pass on to those you serve, to upgrade your office computers, or to build a computer lab!

These PCs are available only to nonprofit organizations in Kansas City and the surrounding area.

We will need a copy of your IRS determination letter for our files. Full payment is required at pick up.

For more information, call (913) 730-0666 or (816) 559-7077.
