## **Peachjar eFlyers**

The WUSD works regularly with a number of community groups and outside organizations to distribute materials district-wide. Beginning with the 2017-18 school year, the WUSD is transitioning to a new electronic method for flyer distribution using a program called [Peachjar](#).

Peachjar eFlyers streamline the flyer review and distribution process allowing community organizations that work with to deliver information through email and online postings via the district and school websites.

This program allows us to strengthen our efforts in being more conscious stewards of the environment while incorporating new business practices embracing innovative technology for increased efficiency and effectiveness. The flyers will be sent directly to parents' email inboxes as well as posted on school websites for easy access. All flyers are accessible by clicking on the Peachjar logo found on our websites.

Each year, our district will save tons of paper and reduce copy costs by thousands of dollars. In addition, paperless delivery of school flyers removes a significant administrative burden from teachers, office staff, and volunteers.

Find out more on the [WUSD website](#).
