LEADERS IN TRAINING (LIT) & SUMMER OF SERVICE (S.O.S)

For 9 weeks in the summer our **LIT** program works with youth ages 11-14 to build leadership skills, create strong relationships with team-building activities and teach the importance of giving back to the community. Tuesday-Thursday LITs will discuss important issues, participate in a community service project and enjoy a fun field trip with their friends.

Summer of service is for our older teens (15-18) who want to continue helping the community. With six week-long sessions, teens will share ideas, learn essential life skills, help in the planning of service projects and work with a wide variety of organizations throughout the city. S.O.S. gives teens a strong sense of self and helps them build meaningful relationships. For more information and to register, visit: <http://denverymca.org/camps/teen-programs>
