

Seeking staff of community-based organizations to share their expertise!

You may be eligible to participate in this study if you work with communities facing health inequities and have used /received training about evidence-based health interventions.

The web-based survey takes about 30-45 minutes and as thanks, we are offering a \$75 gift card. We will also share findings back with you. [Learn more via the QR code or at \[bit.ly/CBO_Survey\]\(https://bit.ly/CBO_Survey\)](#)

This research is being conducted by a team at the Harvard T.H. Chan School of Public Health. For more information, please email CommunityLinksProject@gmail.com.
