

# Best Practices for Zoom Meetings

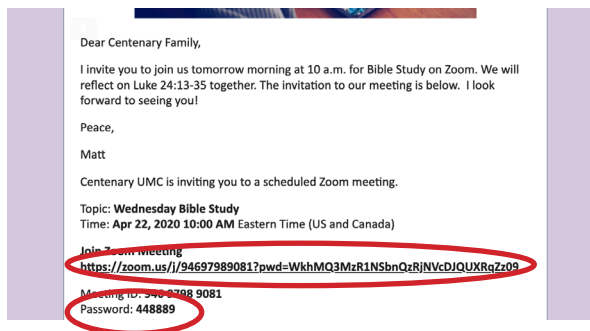

1. Download and install the Zoom software (or app). To download visit : <https://zoom.us/download>
2. Click on the blue “Download” button below “Zoom Client for Meetings.” Follow the prompts to install.

3. Follow the prompts to install.

4. When you receive the invite, click on the link provided.

5. A window will pop up asking you to launch an application. Select Zoom and click on Open Link.

6. Zoom will open and you may be prompted to join with computer audio.

7. A password is now required. This is included in the Zoom invite. Put in the password and click “Join.”

8. You are now in the “waiting room” and the host will allow you access to the meeting.
