

Dear Endoscopy Professional:

Would you like to sell or trade in your underutilized or unused endoscopes and endoscopy equipment while actually getting PAID what the equipment is worth? Do you need to repair your endoscopy equipment with minimal downtime but require OEM quality at a fraction of the OEM cost? Are you interested in purchasing Refurbished Endoscopy Equipment with the only **24-month warranty** in the industry.

There is a guaranteed better way to satisfy all your endoscopic equipment needs....it's M.D. Endoscopy Inc.

We are professionals who specialize in purchasing, selling and repairing all models of endoscopes, endoscopy equipment and accessories---from a single scope to an entire Endoscopy Suite. I have enclosed some information on our company and would appreciate if you would take a minute to learn what our company can offer you, your company and your patients. Please visit our website to learn more about our company and our services at www.MDendoscopy.com.

For your convenience, we have enclosed a Repair Request Form, Pre-Purchase Inventory Form, List of our Repair Prices and some Sales Specials we are currently offering. To show our appreciation for your time and consideration, we're offering you your **1st minor repair for FREE or your 1st Major Repair 50% off list price including complete overhauls/refurbishments**. We offer free estimates, repairs are warranted for a full 12-months and our complete overhauls/refurbishments are warranted for a FULL 24-months.....No other company in the industry offers a warranty as comprehensive as ours. Furthermore, all purchases include our exclusive **24-month warranty** from date of purchase.

We're here to help, so please give us a call at 1-800-866-ENDO (3636). We are open from 9:00am to 5:30pm EST during the week and 10:00am to 5:00pm on Saturdays. We look forward to earning your business and exceeding your expectations.

Best Regards,

Your Team @ MD Endoscopy Inc.
