## Santa's Magic Key

Santa, this old key is a magical kind  
and we're leaving it out for you to find.  
Cause just for you, tonight, it will open  
any door, so you won't have to slide  
down chimneys anymore!

This key is very magical and special you  
see....

It opens the door for you dear Santa and  
a bottle for me!

*Cheers!*
