Tri-City Regional Fire and EMS School 2022

Tri-City Regional Fire & EMS School

Richard Bland College

September 17-18, 2022

The Virginia Department of Fire Programs and the Namozine Volunteer Fire and EMS Department, Inc. will conduct the 11th Annual Regional Fire and EMS School on September 17-18, 2022. Please see the class description for the dates and/or times.

Registration Fee

A \$35.00 **NON-REFUNDABLE** registration fee is required to register for the Tri-City Regional Fire & EMS School if registered by September 2, 2022.. The registration will be through Eventbrite by following the QA code or link on the front cover of this brochure. This registration fee covers school cost and the steak/shrimp feast on Saturday night (September 17th).

Registration

Registrations will be taken on a “first come, first served” basis. Once you have registered through Eventbrite you will receive an email on how you will register for classes being offered the VDFP in Cornerstone. The EMS classes and Elevator class will not be captured in the Cornerstone platform.

If you register in Eventbrite and do not have the prerequisite course(s) to attend that session by September 2nd you will not be able to attend the class. You will not be able to receive a full refund as the Eventbrite fee will be deducted from your refund.

Check In

All students must check-in at the Richard Bland College between 7:15 AM and 8:00 AM on September 17th..

The Saturday evening dinner will be held on site at the college. The food, drink, and fellowship will begin around 5:45 p.m. Door prizes will be given away. Please make sure to attend this enjoyable event.

Tri-City Regional Fire and EMS School 2022

Mayday, FIREFIGHTER DOWN -

Dates: September 17-18, 2022 – 08:00 to 17:00

Instructor: Tom Nelson, Ladd Grindstaff

Description: The 16-hour Mayday Operations - A course designed for all members of the fire service from the chief to the newest member. The mission of this class is two-part: first, is to provide training for every member of the team to survive the worst event on the fire ground. Second, is to provide chief officers with training to administrate a "two-in/two-out" program and how to meet this standard, self-rescue techniques, flashover recognition, how to train and use a Rapid Intervention Team, tactical considerations for RITs, building construction for firefighter safety, fire fighter accountability and other safe fire ground operations.

Hours: 16

Prerequisites: Firefighter I

Class size: 24 Students

Student Equipment: FF PPE with SCBA

Curriculum Text: Provided to registered students through CSOD

Rural Water Supply

DATE: September 17-18, 2022 - 8:30 - 5:00

Instructor: TBD

Description: A course designed for the rural fire department that depends heavily on tanker shuttles to provide water at the fire ground. Course consists of classroom training on equipment needed, apparatus placement on the fire ground and the fill site, safety and extensive hands on training conducting tanker shuttles under realistic conditions.

Audience: Both firefighters, apparatus operators and those that want to plan a role in the delivery of water in a rural environment.

Hours: 16

Prerequisites: None

Student Equipment: Helmet, Gloves and Safety Footwear

Curriculum Text: Provided to registered students through CSOD.
