

GARDENING FOR GOOD

Enjoying time in the outdoors can be a great opportunity for guests to relax and recharge when facing difficult medical journeys. Volunteers help to keep HHOC's yard beautiful.

GUIDELINES

- All ages are welcome with adult supervision.
- No prior experience is necessary.
- HHOC staff will provide instruction.
- All necessary tools will be provided.
- Projects vary, but typically include weeding, pruning, planting, or spreading mulch.
- Gardening is available seasonally.
- Contact the Community Engagement Coordinator to schedule a date and time.

WHAT TO BRING
