

WORLD ELDER ABUSE AWARENESS DAY

Building Strong Support for Elders

Elder Abuse: It's More Than Just Scams

Tuesday, June 15

10:00am -11:30am

Every year, June 15 is recognized at World Elder Abuse Awareness Day. Several Florida Area Agencies on Aging have partnered together to take the opportunity to educate the community on the importance of elder abuse awareness and prevention.

During the workshop guest speakers will provide a general overview of elder abuse, its forms and how to report it, how to address financial exploitation, how to avoid scams and frauds carried out through the U.S. mailing system and the tools you need to protect yourself.

Workshop Speakers

Megan Dalabes, Director of Community Education & Development, Abuse Counseling Treatment Inc.
Defining elder abuse, how to report it and where to call

Tiffany Flood, Community Development Dept. Supervisor, iTHINK Financial Credit Union
Subject matter expert on addressing financial exploitation

Damien Kraebel, Postal Inspector, United States Postal Inspection Service Tampa Field Office
Fraud tactics carried out through the mailing system & how to protect yourself
