<p>Hi.... I am very proud to be part of the Irish Offshore Sailing team hoping to successfully round the Fastnet 2023..</p> <p>I normally sail out of Howth and am a member of the Howth Sailing & Boat Club which in my view is the best little Sailing club...in the world ,with every member carrying a vast amount of experience and always there to help fellow members with advice and practical help to keep the boats seaworthy. It's not all about racing and has a great social calendar as it's backbone. Watch out for Dessert Star cutting through whatever Poseidon or Neptune throws at us eventhough last year we had to abandon The Round Ireland Race with rudder damage not but a mile off Fastnet but that was last year on a different boat and this is our year for sure !</p>	Wicklow	Wicklow

I started sailing in my mid 20s with Dinghy racing GP14s to be exact for about 15 years. We sailed in 3 world champions 2 in Ireland and one in South Africa. I then bought a Beneteau 38 and went into club cruiser racing and cruised during the summer mostly in the Irish Sea and up to Scotland.	Gosport	Hants
I have cruised with friends and family down the west coast of France and Portugal, the Baltic and Greece but this is my first offshore race and looking forward to the experience

I am 68 years old and have thought about partaking in the Fastnet for many years. I think it is about time to fulfill my dream. I learnt to sail along the coast of Cork at Kinsale and Baltimore, not too far from the famous rock. I completed my Yachtmaster Coastal in 2013 but have not sailed a lot since then.	Hull	East Yoprkshire
I am delighted to sail on a wonderful 72 foot yacht owned by the incredible organisation that is Catzero who do tremendous work making a real difference in people's lives.

Rónán O Siochru	The yacht is a 2002 Jeanneau Sunfast 37. She has completed in 5 Round Irelands and 5 Fastnet Races. She finished 13th overall in the 2021 Fastnet Race and second in class. She is crewed with students of our RYA sailing school Irish Offshore Sailing. She is an incredible work horse, taking students for competent crew and dayskipper courses all year, and then puts on her race sails to perform and punch well above her weight against some of the fastest yachts in the world. Vincent Pietersz	The 2023 RORC season sees the Royal Navy Sailing Association (RNSA) competing for the first time in their newly purchased Sunfast 3600. Awaiting a formal renaming, YOYO comes with a significant pedigree, having placed 3rd in class in the 2022 Round Ireland Race and won repeated nominations for Best Offshore and Significant Keelboat achievement with her old club. The Sunfast 3600 is a significant step up from the RNSA's last offshore racing yacht and the team is excited by the opportunities of a newer, faster yacht and aware of the learning curve facing them. The Royal Navy Offshore Sailing team is made up of both full time and reserve Sailors and Marines, the team have a strong base, many of whom have competed in previous Fasnet Races, however growing new sailors is at the core of everything we do and novices are a regular feature in our teams. Founded in 1935 with the aim of "encouraging sailing throughout the Service", in 2020, RNSA became a Charitable Incorporated Organisation and still passionately believe sailing is an ideal vehicle for improving personal skills and military efficiency. To keep up to date with the RN teams progress you can go to the RNSA website, Twitter (@RNSA_Offshore) and Instagram (@nsaoffshore).	Gosport	Hampshire
