

Cleveland Heights' SLFRF Funding

The City of Cleveland Heights was awarded \$38,817,062 in State and Local Fiscal Recovery Funds. It has already allocated the following:

\$18,000,000	For major sewer repairs , which will help lower future residential and business quarterly sewer bills.
\$10,000,000	To replace tax revenue the City lost during the pandemic , so it can continue to provide vital services and make needed capital investments.
\$460,000	For premium pay to first responders during the height of the pandemic.
\$28,460,000	ALREADY ALLOCATED
