

Possible Priorities for Cleveland Heights' ARPA Funds

- Repairing and replacing sewers
- Supporting small businesses
- Helping families survive and thrive (e.g., rent, mortgage, utilities, food)
- Supporting young people (e.g., after-school programs, tutoring)
- Helping people find affordable housing
- Preparing for health/safety threats (e.g., premium pay for police, and fire)
- Abating lead in homes
- Sponsoring violence intervention programs
- Funding mental health and addiction services
- Supporting families with children (e.g., child care, foster programs)
- Sustaining industries hardest hit by the pandemic
- Preparing for future health threats (e.g., vaccination, testing, ventilation)
- Providing more healthy, safe opportunities for recreation and socializing
- Getting more people into the workforce (e.g., job training)
