

It's Time For a Solution to Reduce Your Print Cost!

Most organizations start the new year with ideas to improve their bottom line. CDS Managed Print Solutions can help you achieve your goal!

Research studies of industry leaders indicate the following:

- Office workers use desktop printers to print an average of 10,000 pages per year with an average annual cost of \$725.
- 90% of organizations do not know how many printers they have, or how many prints they make per year.
- Desktop printers are used four times more often than copy machines.

CDS Office Technologies can reduce your annual print cost by 30% or more!

What is printing costing your company?

Example: If your annual revenue is \$6,000,000

\$6,000,000	(Annual Revenue)
x .03	Print Expense (Estimated)
\$ 180,000	
x .30	Savings
\$ 54,000	Annual Print Expense Savings
