QUARTER ONE 2025

Howl You Doing?

Humane Society of
Lebanon County Newsletter

What we've been up to...

Every Dog, Every Day:

Our Dog Team has implemented a new goal for our shelter dogs to enrich their quality of life while they are awaiting their forever homes. Every dog gets a kennel outing, a type of enrichment activity, a cognitive toy, a playgroup, a quiet place for a nap, or a field trip...you name it, we're doing it!

Continued Education:

We're thrilled to share that our shelter team has learned several new skills over the last quarter, including reading our fecal samples in house! And we read a lot of poop!

What we've been up to...

Feline Enrichment:

Our Cat Team is dedicated to enriching the lives of our feline friends. We choose a feline resident to have a "sleepover" in one of our meet and greet rooms each night. This allows them to stretch their legs and explore. You also might see our cat pals with cardboard treat tubes filled with yummy snacks, cat nip boxes or even just a good 'ol cuddle session.

Improving Community Communication:

We have taken steps to help respond faster to adoption applications, have a stronger social media presence to reach more people, and will soon be onboarding new volunteers to build a stronger Volunteer Program.
