

**BREATHE TEAM**

**CYSTIC FIBROSIS FOUNDATION**

To the Denville Community:

My name is Brian Williams and I am a Detective with the Denville Township Police Department. This year, I have committed to run the 2019 NYC Marathon with the Breathe Team and fight to find a cure for Cystic Fibrosis (CF)!

A few years ago, a good friend and fellow officer was diagnosed with cystic fibrosis. This progressive, genetic disease causes persistent lung infections and limits the ability to breathe over time. Although tremendous advancements have added years and quality of life to the lives of people with CF, there is still NO CURE! I choose to run because many of those with cystic fibrosis cannot.

A donation of any amount will help me accomplish my goal of raising \$4,000 for the CF Foundation.

You can make contributions by visiting my crowdfunding page ([www.crowdrise.com/bwilliams63](http://www.crowdrise.com/bwilliams63)) and clicking on the Breathe Team logo. 100% of this tax deductible donation will go directly to cystic fibrosis research. If you can't give, but still want to support this cause, please share my page with your friends, family members, and coworkers. With more people aware of this cause, we'll be one step closer to finding a cure.

The Breathe Team and I would like to thank you in advance for your support!

Sincerely,

A handwritten signature in blue ink, appearing to read "Brian Williams", written over a blue horizontal line.
