

# Morris Hills Regional District The Math and Science Magnet Program and The International Baccalaureate Program

## Webinar Q&A for 8th Grade Parents and Students

### Dates and Locations:

Tuesday, October 6th via Zoom Webinar at  
7 PM (In District) or 8 PM (Out of District)

OR

Thursday, October 22nd via Zoom Webinar  
at 7 PM (Out of District ) or 8 PM (In District)

(both information sessions are identical; must pre-register online)

Come to either webinar session to get your questions answered about the admissions process for the Magnet and IB Programs for students who will enter 9th grade in 2021-2022. Videos with academic information about each program will be posted online prior to each webinar.

To view informational videos about each program and to register for the Q&A Webinar, please visit our website [at this link](#). Out of District applicants should also visit the School Choice website [at this link](#).
