Aviation & Aerospace 8th-grade Parent Information Session

When & Where: **January 8th at Morris Hills High School Cafeteria OR**
 January 10th at Morris Knolls Senior Cafeteria

Time: **6:00 p.m. to 6:30 p.m. (before 8th Grade Parent Night)**

The Morris Hills Regional District offers an Aviation & Aerospace Program to those students looking to explore career opportunities in the aviation profession. This program, now in its second year, has been developed in conjunction with the Aircraft Owners & Pilots Association (AOPA).

The information sessions to be held at each school are identical and are intended to provide 8th-grade parents with information regarding the Aviation & Aerospace Program and how their students can enroll in the program.

Join us to find out more about the Aviation & Aerospace Program the career pathways being offered in the program, the expectations of the program and its participants, and help us support our students and their careers in aviation.

Contact Dr. Kevin S Doyle for more information kdoyle@mhrd.org or (973)664-2242

There is no registration required for the event.
