

Denville Little League Girls Softball Registration is now Open!

Register your daughter at www.denvillesoftball.org by January 15!

Denville Little League Girls softball seeks to provide a fun and exciting environment for players of various ages and abilities. The league will consist of multiple divisions and is for players from Kindergarten through Age 14!

Thanks to the fundraising efforts in past years and the generosity of our sponsors, we are reducing the recreation registration fees for the Spring 2019 season. There will be no discount cards for the 2019 softball season.
