

PLAYGROUND EQUIPMENT AT GARDNER FIELD

Denville Parents - This weekend we will be installing the new playground equipment at the Gardner Field Playground. Build days are Saturday 9/22 and Sunday 9/23 from 7:00 AM to 7:00 PM.

Volunteers with and without construction skills are still needed. The link to volunteer list is below. If you can spend 2 hours or more either day it would ensure the project is completed.

Food and beverage will be served to our volunteers! You will need to get a name tag when you come in before you are assigned to an activity.

Volunteers must be age 18 or older to volunteer and children under age 18 are not permitted at the site. The build site is not a safe area for young children and their safety is always our #1 priority.

There are 2 links below. The volunteer sign up list and a tool list for those of you who can bring your construction skills to this event. Sunday in particular is where we need more construction people.

Thank you for your continued support to finish this project. Your generosity by volunteering and donations, along with the sponsorships of local businesses, has raised over \$300,000!
