

TAKE the PLUNGE ... PASS it ON ...

[#DenvillePolarPlunge](#)

WHY is **Denville S.P.A.R.K.** asking students and families to TAKE the PLUNGE?

2021 marks the 5th anniversary of the **#DenvillePolarPlunge**, which typically takes place at Cooks Pond in February. In recent years, the event has become a way to raise awareness and support for **Denville S.P.A.R.K.** Like many of our annual traditions, the ongoing threat of COVID led organizers to make the decision to cancel the in-person event this year and take it online, allowing it to reach a wider audience and giving families who otherwise may not have attended in-person, a safe alternative to join in the fun and participate together.

We encourage families to participate together, have fun, and even dress up. This is a perfect opportunity to model community involvement, kindness, acceptance, and compassion for those who face developmental challenges and are in need of a welcoming community, a safe place to call home, and the promise of a brighter future. With the participation of dedicated school-age children and their families, along with our local school communities and leadership, this online event has the potential to bring widespread awareness to our cause. The recipients of all **Denville S.P.A.R.K.** proceeds are graduates of the Denville Public Schools and area high schools and have great pride for our schools. This is an opportunity to show these special alumni that they are still important members of our greater community, by having some fun and challenging others to do the same.
