WELCOME & PHILOSOPHY

ABOUT US

I would like to welcome all to the Golden Eagles Lacrosse Camp at Morris Knolls High School. We are dedicated to giving expert instruction, while also letting the individual lacrosse player increase their level of IQ through various drills. We focus on individual instruction based upon position, while incorporating essential skills and team concepts. Our camp staff has experience at the high school and collegiate levels. We encourage all players to try and bring other players from their team so we can incorporate team concepts into your game!
