Denville Middle School Ski/Snowboard Club 2020-21:

Unfortunately this year the ski club will not be able to run due to Covid-19 and restrictions that are in place. We have spoken to Mountain Creek, who have told us that they are not offering this program in the upcoming year. We are saddened by this news, and look forward to next year when we plan to have this popular program up and running. Youth season passes will be available for individual purchase (please see information below) at a discounted rate. Below is some of the letter we have received from Mt. Creek:

Hi All!

We hope you are all safe and well during these unprecedented times and we hope you had an enjoyable summer with family and friends in the great outdoors!

As we all know, the world has changed, and we're doing our best to change with it, while still providing the best experience for all our guests. As a result of some of the uncertainty heading into this winter season, and based on the feedback we've received from many of you, we've decided to re-imagine the After School Program for this winter as follows:

- We will be unable to offer scheduled trips with lesson and rental programs.
- We will be able to continue to offer your group discounted season passes (to visit on their own) as thanks for your loyalty over the years. (Once we work out the details we will have further information of how to obtain the discounted passes)
- Season Passes are non-refundable and non-transferable, but new this season is a "Snow Guarantee" option. By purchasing this option it allows you to receive a credit toward the following season if certain conditions are met. Please see more information on this option by visiting: <https://www.mountaincreek.com/ski-board/tickets-passes/season-passes>.

If you have any questions or would like to set up discounts for this winter, please call group sales at 862-307-7396 and we'll be happy to assist you.

Sincerely,  
Nick Panetta
