

**60**  
DAYS OF  
SUMMER

**COLLECT SCHOOL SUPPLIES  
JUNE 1 – JULY 31**

**60 Barrels in 60 Days**

## **HELP US, HELP 2,500 STUDENTS**

In 60 days, thousands of students throughout the Kansas City Metro will head back to school without the necessary tools to learn! On average, families spend \$100 per student for school supplies; this is a financial challenge for many of our neighbors.

Help us make a difference in the lives of 2,500 students this year! During the next 60 days, we are placing collection barrels throughout Kansas City. Host a barrel collection at the office, at church, or with family and friends. Together, we can make a difference!

Your collection theme is up to you, but we encourage groups to consider the following:

### *Collect a Specific Item*

Pencils, crayons, spiral notebooks, or markers - our students need it all!

### *Fill a Backpack*

Host a backpack drive and fill each bag with needed school items.

### *Purchase New Shoes*

Host a new shoe drive for area students.

To reserve a barrel today or for more information contact CSL's Development Assistant, Jessica Kelsey, at 816-912-4490 or [kelseyj@cslcares.org](mailto:kelseyj@cslcares.org).

Backpacks filled with supplies, along with a new pair of shoes will be shared with families at our annual Back-to-School Fairs in early August!
