Dear Community Partner:

On behalf of the consumers we serve, and all people with disabilities, the CIL Disability Resource Center would be honored if you would consider joining us to celebrate **the 40th Anniversary of the CIL Disability Resource Center "Honoring Our Past, Planning Our Future" Gala** through sponsorship of our event.

As part of our Gala, we will also celebrate the **30th Anniversary of the Americans with Disabilities Act (ADA)** by recognizing members of our community who are leaders, advocates and volunteers at our **ADA and Volunteer Recognition Awards Program**.

The CIL Disability Resource Center (CILDRC) provides education, advocacy and other services to promote equality, access and inclusion for people with disabilities whose goal is to live independently in the community. We proudly reach people in Escambia, Santa Rosa, Okaloosa, and Walton Counties. Our ADA Gala will provide an opportunity to educate community members about the importance of a society that embraces full inclusion for ALL people and highlight the history of the CIL's role.

We expect about 200 people to attend our event this year, including state and local dignitaries; businesses; educators from local school districts, colleges, and universities; and partner agencies that provide services for people with disabilities.

By participating in our event, you show your support for the Americans with Disabilities Act, which is (in President George Bush's words) "the world's first comprehensive declaration of the equality of people with disabilities and evidence of America's leadership internationally in the cause of human rights".

Enclosed you will find more details about sponsorship and recognition opportunities that are available. Our online sponsorship, donation, and registration link is www.CIL40thGala.org. If you have any questions, please contact Debbie at 850-595-5566, extension 20 or by email debbie@cil-drc.org.

We look forward to working with you!

Sponsor Statement

The 40th Anniversary Gala will bring together community leaders, businesses, advocates and the general public to celebrate the history of the Center. We will showcase individuals in our community who are champions for people with disabilities and who recognize that better communities include ALL people. CILDRC also aims to educate the community about the Americans with Disabilities Act and the impact it has for people with disabilities in our community.

Funds raised by sponsoring the Gala will directly benefit the programs and services of CILDRC. CILDRC is a 501(c)(3) not-for-profit organization whose mission is to promote, educate, facilitate, assist and advocate with and on behalf of people with disabilities, in partnership with their communities, to achieve their goals for independence.

Participation in this event will demonstrate your support for the Center and Americans with Disabilities Act, which is (in President George Bush's words) “the world’s first comprehensive declaration of the equality of people with disabilities and evidence of America’s leadership internationally in the cause of human rights.”
