WHAT IS THE PARADE OF PLAYHOUSES?

Build a playhouse to be auctioned off to the highest bidder. Your playhouse will be displayed at Union Station and viewed by thousands of people daily. Consumers will have the opportunity to bid on a playhouse online and vote for their favorite playhouse via QR codes displayed on each house. A panel of judges will inspect the playhouses and awards will be presented for Pick of Parade, Best in Craftsmanship, and Best in Innovation.

All proceeds from the sales of the playhouses will be donated to KCMO Science City.

SUPPORT THE COMMUNITY

This event is a fundraiser for the Home Builders Charitable Foundation. So many of our best memories happen at home: a child's first steps, playing in the backyard, music lessons, prom night and graduation day. A strong, livable neighborhood should be available to all in our society. That is why the Home Builders Association of Greater Kansas City (KCHBA) established the Home Builders Charitable Foundation in 2002 as the charitable arm of the KCHBA. The fund is dedicated to supporting the Kansas City community in three main areas:

- 1) Increasing career opportunities in the skilled trades by supporting educational programs and job training resources related to the construction industry
- 2) Supporting the revitalization of Kansas City area communities
- 3) Assisting charitable causes, such as human services like transitional and supportive services and housing

PARTICIPATE IN THE PARADE OF PLAYHOUSES

Get in front of the 1,500 people who visit Science City on any given day. Featured in the news on every local TV station last year, the Parade of Playhouses is an opportunity to align your brand with a local charity and reach consumers. To participate in the Parade of Playhouses, the Home Builders Charitable Foundation is asking for a donation of \$2,500. As a participant in the Parade of Playhouses, you will receive:

- An area next to the playhouse to display your company's promotional materials throughout the event
- Social media marketing before, during and after the event
- Company name and link on the KCHBA website (kchba.org) & bidding platform
- Recognition at the 2023 Foundations for the Future Awards Luncheon on April 1
