

***Prince of Peace Catholic School
Christmas Purse Program
November 13th – December 4th***

Dear Prince of Peace Catholic School Families,

In continuing with tradition, the POP Volunteer Organization is sponsoring the annual Christmas Purse. This program provides an opportunity for school families to show their appreciation for our teachers and staff during the holiday season.

Anyone wishing to participate can donate in the following ways:

- Online to the 2020 Christmas Purse Donation
- Check made payable to "POP Volunteer Organization." Checks may be returned with your child in the sealed envelope to his/her homeroom teacher. Envelopes may also be placed in the Christmas Purse boxes located in the front offices of the main school lobby and CLC.

A Parent Volunteer Organization Board member will confidentially collect each donation. The total dollar amount accumulated will be allocated among each staff member according to the number of weekly school employment hours.

The Purse will be distributed to all teachers and school staff through a supplemental paycheck with a letter of Christmas cheer noting all of the families who participated.

Our Christmas Purse program is meant to relieve some of the tasks during this busy time while ensuring the entire school staff is included in the gift giving process. While it is entirely a personal choice, we encourage contributions to the Christmas Purse instead of individual classroom teacher gifts.

On behalf of our faculty, thank you in advance for your generosity to the Christmas Purse program. We are collecting donations now through December 4, 2020.

Wishing you and your family health and happiness during this holiday season,

Kristy Henn
