

TSD LIFETIME POINTS STANDINGS

The following points were adopted by the RRB based on recommendation of the late Harry M. Handley. The standings are based on the lifetime scoring project begun by the late Robert V. Ridges and resurrected by the late Russell K. Brown. Lifetime standings for TSD rallies are based on the first six overall positions (D, R, S, A, and 3 points respectively) on all SCCA sanctioned national TSD RoadRally events conducted from 1958 to 12/31/18. Points are included in the RRBs for participants with 25 or more points. Lifetime Points are maintained by R. Bruce Gezon who assumed the duty in 2014 from the late W. David Teter who assumed the duty from the late Victor T. Waidler in 1987. For inquiries about individual standings call (724) 355-3758, email rbugezon@windstream.net or send a self-addressed stamped envelope to: R. Bruce Gezon, 3309 Hemar Ct., Murrysville, PA 15668-1602.
