

## **CURRENT LIST OF CAR REGISTERED FOR GAMRR2019**

### **1971 Volvo 142S**

#### **MARK AND DANE AXEN – STONEY CREEK, NY**

Were at the GAMRR last year are competing this year in a dark blue 1971 Volvo 142S. The car was prepared by David Wells who also competed last year. They are currently competing in the Great Race.

### **1952 Hudson Hornet Club Coupe**

#### **GREG & LYNN DAVIS - MAINEVILLE, OHIO**

The Davis' acquired the car out of California in 2018. The GAMRR will be the first significant trip this car has seen since the 1960s.

The car is powered by the legendary Hornet 308 cubic inch, flat-head six cylinder engine with Twin-H carburetion. It is one of 8300 Hornet Club Coupes built for 1952. At 3550 pounds it was the lightest of the Hornets and the darling of stock car racers.

Greg & Lynn, who were at the GAMRR last year in their 48 Hudson. Let's hope their brakes are better in the '52!

### **1974 DODGE MONACO BASE MODEL - THE BLUESMOBILE**

#### **MATT AND MARYANNE KOOPS – LAKELAND FLA**

Car was originally ordered by Charlottesville NC government as a fleet vehicle. We bought it in 2016 after 14 years looking for one!

1974 Monaco is the car used in the movie The Blues Brothers.

Motor: 440 big block police interceptor, 4 BBL carburetor, Trans : 727 Torque flight

Police firm feel steering box

Extra HD cooling (fleet/police duty)

New for this year's rally: police certified and calibrated speedometer.

Race weight : probably 4200 lbs...

Will cruise over 100 mph for days. Gets there pretty quick as well.

MPG estimate: actually gallons per mile. Maybe 10 mpg on a good day going downhill with a tail wind.

### **1959 TRIUMPH TR3A**

#### **JEFFREY GIVENS, DAN TAYLOR – LEAVENWORTH, KANSAS**

Owned since 1969. I have put slightly over 389,000 miles on the car since I purchased it.

Most recently participated in the 2018 Great American Mountain Rally Revival (GAMRR2018). What a great and fun filled trip that was! It was my very first Rally and my brother in law Dan Taylor.

Jeff will be competing with his son in LBL 2019 Rally in Europe in July. The LBL goes from Liege Belgium to Brescia Italy and back to Liege over a 10 day time period.

### **1964 MERCURY COMET CALIENTE**

**JEFFERY WACKER, JULIA METCALF - LITCHFIELD, CT**

This 1964 Mercury Comet Caliente is a veteran of the VT Winter Rally, ALCAN 5000, Icelandic Saga, Targa New Zealand and numerous other rallies

### **1930 Chrysler 70 ROADSTER**

**DAVID & THOMAS SMITH - ONTARIO, CANADA**

Restored as a race car in Australia in the mid-90's. Successfully campaigned at Monterey Historics in early 2000's by prior owner. Purchased by the entrant in 2019 with the intent to rally.

Chryslers were successful in period - 1928-1930 at LeMans, Spa and other European events.
