## PRE-SEASON AIR CONDITIONING • PREVENTATIVE MAINTENANCE • START-UP AND SYSTEM CHECK

### 15 POINT INSPECTION OF CENTRAL A/C UNIT(s)

1. Replace air filter (1-inch fiberglass disposable type).
2. Check & flush out all condensate drains.
3. Check & flush condensate drain pump & discharge hose.
4. Check blower motors, belts, bearings, and blower wheel. Inspect oil & adjust.
5. Check all diffusers, registers, and dampers for proper adjustment.
6. Check all system safeties & controls, low- & high-pressure switches, and time delays.
7. Check all motorized zone dampers for proper operation.
8. Check for proper voltage & amperage of the system components.
9. Check thermostat operation.
10. Check & inspect evaporator coil (if accessible).
11. Wash outside condenser coil & inspect.
12. Clean any debris from condenser pan and fan.
13. Check temperature difference (T.D) across cooling coil.
14. Check system refrigerant charge & pressures.
15. Check the condition of outside equipment:
  - Condenser fan, blade, & motor
  - Electrical whip & disconnect
  - Line set
  - Driers & sight glass
  - Condenser pad for any settling & level
  - Check/replace Schrader caps if needed
  - Check compressor and wiring
  - Check capacitor

#### ADDITIONAL AIR CONDITIONING SERVICES\*\*

**Coil Disinfectant:** Clean & disinfect evaporator coil, remove built up lint & mold.  
**\$75.00\*\*\***(Must have access to top/bottom of evaporator coil).

**Media Air Cleaner Service:** Replace media type air filter (3-inch, 4-inches & 5-inch sizes).  
**\$45.00**

**Electronic Air Cleaner:** Clean pre-filters and collector cells.  
**\$55.00**

**Humidifier:** Replace media pad, clean pan, and distributor nozzle. Check float/solenoid valve.  
**\$75.00**

\*Each additional system is \$129.95 each plus tax

\*\*Performed at same time as Air Conditioning Service

\*\*\*Additional labor charge if plenum requires altering for access to evaporator coil

Receive an additional 10% off the Pre-Season A/C Start Up cost when you schedule your annual Heating System Cleaning & Maintenance Service at the same time.

Additional parts & labor outside of the scope of the preventative maintenance service are at Jennings Oil & Propane's prevailing rates. Contact Jennings Oil & Propane for full details of offer and additional services offered.

Offer valid through 6/30/2023. Certain restrictions may apply. Offer not to be combined with any other offers.
