

# PUT YOUR PRACTICE INTO IDEALS

## Supply logisticians

- **9 to 12 months availability**
- **Previous experience in a low resource setting (priority given to experience in a humanitarian context)**
- **Minimum of two years professional experience in supply chain management, e.g. needs assessment, order management, purchasing, stock management and freight management**
- **Professional experience supervising, managing or training staff**
- **Experience with organisation and set-up of supply administration and related supply procedures**
- **Ability to work with and live in a diverse team**
- **Additional asset: French, Arabic or Spanish language skills**

MSF-USA is committed to the principles of equity, inclusion, and respect of diversity. As core principles inextricably linked to our success; equity, inclusion, and respect of diversity allow us to carry out our social mission and serve our patients.

MSF Field HR fosters diversity by embracing people of all races, ethnicities, national origins, genders, ages, religions, abilities, sexual orientations, and socioeconomic status.
