AGENDA

(Subject to change based on speaker availability)

Wednesday November 16, 2022

ALL TIMES ARE EASTERN

VIRTUAL

10:00am – 10:50am Covid Claims – A Survey and What To Expect

Doherty & Progar LLC

- Michael J. Progar

It's not just healthcare facilities that are seeing Covid claims. Whether it's negligence and personal injury claims or Workers' Compensation claims, join us to see what we are seeing and what you can expect.

11:00am – 11:50am Construction Defect 101

Fowler Law Group

- Jennifer Asuncion

Touchstone Bernays

- Rocky Feemster

Now more than ever, learning how to investigate, evaluate and defend Construction Defect Claims is critical. With the retirements we are seeing, many claim departments are losing their most experienced Claim Professionals. Join us to learn how you can bridge the gap in your claims department.

12:00pm – 12:50pm Brain Injuries and Eye Examinations – What Can We Learn?

Ford | Richardson

- Scott C. Ford

Virginia Neuro-Optometry Located at Concussion Care Centre of Virginia

- Jacqueline Theis, OD, FAAO
Neuro-Optometrist
Richmond, VA

With 50-75% of brain circuitry related to vision, an eye exam can be a critical piece of your investigation. Join us to learn the role of the eyes in diagnosis.

--	--	---

1:00pm – 1:50pm The Changing Face of Insurance Defense – Diversity & Inclusion

Johnson, Yacoubian & Paysse, PLC

- Alan J. Yacoubian

Shafer Partners, LLP

- Howard S. Shafer

Over the last few decades, how defense counsel is chosen - from friends and relatives to panel counsel and regional and national firms to organizations like Your House Counsel® - has evolved. What defense counsel looks like is also evolving. Creating opportunities for diverse candidates is a welcome continuation of that exchange. Join us to learn what that means to us and how it impacts the insurance industry.

2:00pm – 2:50pm Litigation for Claims Professionals

Rynearson Suess Schnurbusch & Champion, LLC

- Debbie S. Champion

Shafer Partners, LLP

- Howard S. Shafer

Connors, Corcoran & Buholtz, PLLC

- Eileen E. Buholtz

Litigation should not be a mystery. You may have heard it said that a lawsuit is just a claim dressed up in a tuxedo (do people even wear them anymore?). What you need to defend your case can be second nature. Making that assignment, transferring the knowledge from claims to defense counsel and what time critical events you need to be aware of is not. Join us and unravel the litigation mystery and make sure you are prepared for the process.

3:00pm – 3:50pm Drones – Being rescheduled to a later date.

Anderson Crawley & Burke, pllc

- Timothy D. Crawley
- Thomas “Tommy” M. Wright, Jr.
