BlackRock

Danielle Lore

Associate, Advisor Insights

Danielle Lore is a member of BlackRock's Advisor Insights team and has been in the financial services industry for over eight years. She serves as a national specialist on financial planning topics including Social Security and Medicare. She is responsible for presenting educational programs on Social Security and Medicare as well as consulting with both advisors and their clients on these topics.

Prior to her current role, Danielle was a member of BlackRock's Advisor Services Group, focused on supporting internal and external wholesalers within U.S. Wealth Advisory, as well as servicing advisors across BlackRock's suite of mutual funds, ETFs, SMAs and alternative solutions.

She is an active member of BlackRock's Women's Initiative Network and believes empowering women is key to overall financial planning success.

Danielle was raised in Nutley, NJ and currently resides in Ocean Township, NJ. She attended Monmouth University and then completed her college career at West Virginia University where she received a BS in Journalism and earned a Certificate of Digital Proficiency.
