

SF Black History Virtual Celebration

Closing Ceremony

During our live SFBHM event, you enjoy delicious food, and wine from African American owned businesses. This year, we would like to provide you a list of restaurants and wineries that will join us in a virtual format.

Join us in supporting them throughout Black History Month, and make sure to place your order the night of the San Francisco Black History Virtual Celebration on February 23, 2021, at 6 pm, to enjoy while viewing the celebration.
