

FULL Name: _____
Last Semester's Elective _____

Grade: _____

2nd and 3rd Grade Electives Choices

Please Rank 1st, 2nd, 3rd Choices (1 is the highest, 3 is the lowest)

_____ **Judaism through Art** with Dalia and Adina: **Youth Lounge**

Explore Jewish life, symbols, and rituals through Arts and Crafts. Perfect for creative kids!

_____ **Israeli Dancing** with Madrichim: **Fellowship Hall**

From classic circle dances to modern pop songs, have fun dancing to Israeli music! Especially great if you've gone or are going to Jewish sleep-away camp.

_____ **Jewish Rock** with our Teen Song leaders: **Meditation Room**

Jewish music goes way beyond our prayers and blessings. Learn to sing songs from our tradition and perform for your classmates!

_____ **Tinkering Labs** with Benjamin Antupit, Nicole Coleman, Rachel Farabee: **Room 2**

What does the Tower of Babel, Noah's Ark, and Pharaoh's pyramids all have in common? You can build them! If you like engineering, building, and design, you can get Creative with various building materials and design cool structures from our Torah stories.

_____ **Jewish Ceramics** with Talia: **Room 8**

Experiment with clay to interpret stories from our Torah and Jewish holiday symbols! Ceramics is relaxing, creative, and fun! No experience necessary.
