Happy April Latham Ridge Families!

It's so hard to believe that spring is here and there are only three months left in this school year. It's been a pleasure working with and getting to know all of the children so far. During April, crafts and activities will center around spring. We'll hand out a memo with details about any special crafts and activities as we plan them.

We'll be bringing the children outside again as the weather gets warmer. As you all know, spring means rain and melting snow, so the ground will be muddy and wet. Please send your child with weather appropriate clothing and if you would like to send your child with clothes to change into for outdoor play, we're happy to let them change before going outside.

On days when outdoor play is not possible, activities will be moved to the gym. Physical activity is still limited due to COVID restrictions, however children will still need sneakers to participate.

You can continue to reach us with any questions or concerns about your child or the program by calling the site phone number, (518)227-5883, during program hours. If we're unable to answer right away, please leave a message and we'll call you back as soon as possible! I want to reassure you all that we do receive and listen to all messages and texts that come into the site phone during program hours.

We're all looking forward to another great month with the children!

~ Yanique, Ryan and Staff ~
