

BLUE CREEK - OCTOBER

CYC School-Age Childcare programs are licensed by the New York State Office of Children and Family Services.

Welcome to October! Our theme for the month is "Happy Halloween." We hope everyone is settling into the school year nicely. For the month of October, children will participate in a ton of spooky crafts and some Halloween-themed gym games and other activities.

As you may have noticed, programs are operating a little differently this year. No parents are allowed to enter the school building. As you arrive, please call or text us so we can meet you at the door to sign in/out your child. If there is another family already at the door, please either stay 3 feet behind them or stay in your car until they are done to maintain social distancing.

Children and staff are required to be always masked inside during program. Masks are optional for children and staff outside.

CYC does not provide snack, so if your child(ren) needs a snack for the after-school program, please make sure you pack one for them.

We ask that children wash their hands immediately upon entry into the building. They will then be socially distanced within their groups. We will be focusing more on socially-distanced group activities this year and ask that children refrain from bringing any toys from home to program. Outdoor play will happen frequently, so as the weather gets colder please make sure your children have the appropriate clothing.

If you need to reach us during program hours, the site phone (518-227-2797) will be always with us. If you have any questions or concerns, please feel free to let us know.

Thank you, and we look forward to the month ahead!
