

FOREST PARK - OCTOBER

CYC School-Age Childcare programs are licensed by the New York State Office of Children and Family Services.

Hello Families! We're off to a great start this school year! This year we are lucky to have two supervisors who will be supporting your child(ren) at program! Cati Campbell has previously supervised another South Colonie program and has worked for CYC for seven years. She is currently working toward her Masters in Special Education and Literacy at Russell Sage. She has experience teaching first grade and is presently working in the English as a New Language classroom at Forest Park! We are excited to also welcome back Julia Crist for her seventh school year at Forest Park! Julia is currently in the nursing program at Russell Sage and is unable to be at program everyday, but she will be joining us as often as possible. This is Julia's third year as supervisor here at Forest Park and she is excited to be back! We are both available if you ever have any questions or concerns!

While the weather is still nice, we'd like to have the kids outside as much as possible. Please be sure your child(ren) has appropriate footwear and brings an outer layer if they may get cold. For safety reasons, we will not allow your child(ren) to play on the playground equipment if they are wearing open-toed shoes.

Our staff is doing their best to familiarize themselves with parents and/or guardians at pick up. However, we are still welcoming new staff and getting to know all individuals who are authorized to pick-up. Please make sure you or any authorized person is ready at pick-up with a photo identification to ensure the safety of your child(ren).

If you need to reach us during program hours, the site phone (518-227-4513) will always be with us.

As always, we appreciate all that you do to help us make the program a safe and fun environment for your child(ren). We are looking forward to many memorable, fun months ahead!

Thank you - Forest Park CYC Staff
