

SHAKER ROAD

APRIL, 2021

CYC School-Age Childcare programs are licensed by the New York State Office of Children and Family Services.

Hello Shaker Road families!! We can't believe April is here already!! Happy Spring! This school year is flying by and we're so grateful that everyone is staying healthy and safe.

This month's theme will be "Spring Time" as children will hope to see some spring time events filled with flowers, bunnies and sunshine. Children will be able to participate in many fun crafts and activities! Also, the weather is becoming nicer so we'll be outside more often!

IMPORTANT REMINDERS:

- Masks are required and must be worn over the mouth and nose for the entire duration of program. This lessens the spread of the virus. Please encourage your child to speak with a staff person if they need a mask break!
- Snack is no longer being provided by CYC. Please ensure that your child comes to the after-school program prepared with a snack.
- Weather-permitting, children will continue to participate in outdoor activities; please be sure they are prepared with appropriate attire which will depend on the forecast.

Let's make sure we have a fun and healthy school year! We try to keep your children as safe as possible while under our supervision. Proper mask usage, keeping their distance from others, frequent hand washing and sanitizing can prevent the virus as best we can.

If you have any questions, please do not hesitate to call me at (518) 227-4865, or ask me in person; I am always happy to help as much as I possibly can! Let's make this a great March at Shaker Road!
