

SAND CREEK - MAY

CYC School-Age Childcare programs are licensed by the New York State Office of Children and Family Services.

We are now entering the month of May and are quickly coming to the end of the year. May is going to fly by just like April and the other months behind us!

Just in case you missed the announcements, **SAND CREEK HAS A NEW PHONE #!! 518-724-9653**. Please edit/save this in your contact list. This phone is with us during all program hours; feel free to call or text as necessary.

As you're aware, the mask mandate was lifted and masks are no longer required during program hours but are instead optional. We're still doing everything necessary to provide a safe and healthy environment for your child(ren), this includes daily sanitation of tables, toys, or any appliances used during program hours.

We've established a new rule/policy at Sand Creek regarding Chromebooks; children are allowed to play an educational game (if they would like) during our scheduled snack time. This time period is between 2:45pm and 3:30pm. If they need to do homework that is on their Chromebooks, they are allowed to do so outside of that period of time.

With the nicer and warmer weather approaching us, we request that all children have a pair/ change of closed toed shoes. If we are in the gym or are outside, they will not be able to run around the way they would like, due to open toed shoes being a safety hazard. We also encourage that each child has a water bottle with them, since we will be outside for a duration of the program, along with snacks.

Thank you for another great month and we look forward to the month of May!
