

LATHAM RIDGE - MAY

CYC School-Age Childcare programs are licensed by the New York State Office of Children and Family Services.

Happy May! It's crazy to think that we only have two more months of this school year left. It has been a pleasure working with you and all of the children this year. Crafts and activities for this month will center around the Spring.

Just in case you missed the announcements, **LATHAM RIDGE HAS A NEW PHONE #!! 518-738-7666**. Please edit/save this in your contact list. This phone is with us during all program hours; feel free to call or text as necessary.

In the morning, we'll continue taking the children to the gym from 7:30-8 AM due to intramurals. When the weather allows us to take them outside, we'll do so between 7:30-8:15 am. In the morning, we will keep outdoor activities in the courtyard. Please make sure your kids are dropped off by this time if they want to participate in gym or outdoor activities!

In the afternoon, as long as it's not raining, we'll take the kids out to the playground, even if there are puddles. Please keep in mind that the playground will likely be wet and muddy so children should come to CYC with the appropriate clothing and shoes for outside play. They are more than welcome to change into different clothes before going outside or after we come back in.

CYC is an electronics-free program and Chromebooks are only allowed for homework assignments written down in a planner or posted online, or at specific times designated by the counselors, usually at the end of the program.

Although masks are no longer required, we still ask that parents wait outside the building for pick-up and drop-off. When you arrive, please call the site phone (518-738-7666) and we'll be out to assist you as soon as possible.

We're looking forward to another great month! -Yanique and CYC Staff
