Hello Friends and Families! My name is Whitney Flynn and I am the site supervisor here at Lisha Kill! For those of you who may not know I am a full-time traveling site supervisor! I graduated from SUNY New Paltz in 2019 with a Bachelors in Business Management and Entrepreneurship. This will be my 6th school year with CYC! If you don't always see me I am either at Roessville Elementary, Lisha Kill M.S., or helping out any school in need. If you happen to need something and aren't able to catch me at program, my email is wflynn@colonieryouthcenter.org. Thankfully I have some great staff here to back me up. When I'm not at program Hannah Drinkwater will be supervising; this is Hannah's 4th school-year with Veeder. Hannah can also answer any of your questions, comments or concerns. Although times may be tough now, we're staying positive! And we've already made it past the first month!

Due to the pandemic, we ask that no parents enter the building. If you arrive at program and need to pick up your child(ren) the number to call is (518)227-9118 and we'll meet you at the door. If there is already a family at the door, please stay 6ft apart from them or stay in your car until it is your turn.

When your child (ren) arrives at the program they are placed in a specific cohort. Once in this cohort they will remain in that same cohort for the remainder of the semester. This is to ensure we are following CDC Guidelines, OCFs Guidelines, AND we are following what the school district is asking of us. If there are any issues please do not hesitate to reach out.

Despite the pandemic, we are going to try some new things at program! This month we will have Halloween Bingo on October 30th! We also will still plan some fun themed crafts! Our team at Lisha Kill has been working really hard to try and come up with some fun activities that the children can do while also maintaining social distancing.

Weather-permitting we will go outside as much as possible. Please make sure to send your child with appropriate attire as the cold weather is almost here! The children will still be able to play on the playground so please make sure to send your child with appropriate footwear to allow them to do so.

We are super excited for the months to come! Again, if you have any questions, comments or concerns please don't hesitate to ask.

Thank you, Whitney, Hannah & Staff
