

SHAKER M.S. - MAY

CYC School-Age Childcare programs are licensed by the New York State Office of Children and Family Services.

We're already in the month of May and are quickly coming to the end of the year. May is going to fly by just like April and the other months behind us!

Just in case you missed the announcements, **SHAKER M.S. HAS A NEW PHONE #!! 518-724-9643**. Please edit/save this in your contact list. This phone is with us during all program hours; feel free to call or text as necessary.

We have a few important reminders to share with you:

- Children are no longer allowed to buy ice cream from the vending machines in the morning. This is a CYC and SMS policy. With that being said, some children in the morning mention they are hungry so we suggest they bring a snack beforehand.
- We're still having issues with cell phones being out during the program. Cell phones are not permitted unless the child has a behavior plan which allows the use of a phone.
- Chromebooks are to be used for school work only. We're more than happy to help your child with homework should they need it.
- Since Track & Field started there has been some confusion on when/ if a child should be signed into CYC. If your child plans on coming to program after practice they need to be signed in by a parent. If they are signed in and do not plan on returning we ask that they let us know so we can sign them out.

Thank you, and we look forward to having a fantastic May!
