

GOODRICH SUMMER PROGRAM

JULY 19TH – JULY 23RD

The Albany County Department of Health permits all of the Colonie Youth Center summer camp programs. The Health Department inspects each camp twice each summer. These inspection reports are on file at the Department of Health, South Ferry and Green Street, Albany, NY 12201.

Hello everyone and welcome to Week 4 of the CYC Goodrich Summer Program! My name is Noah Parvana and I will be the Director for the Goodrich summer camp. My assistant will be Brianna Kutz and the counselors will be Allison Bazanos, Victoria Bruni, and Ben Pesnel. We can't wait to meet all of the kids and their families and we're looking forward to an exciting and fun time here at Goodrich!

Our theme of the week is "Dragons & Unicorns!" Throughout the week we'll have crafts related to the theme of the week. This week there will be a baking activity and a fun science activity as well. We'll also have various activities such as outside games, free play, and possible water play activities depending on the weather!

Since CYC follows school district protocol, masks will be required inside and optional outside. Social distancing will also be implemented so upon arrival, your child will be placed in a group and will remain with that group throughout the day. Toys and games will be sanitized at the end of each day. Parent drop-off and pick-up will be at the blue door on the far right side of the building. Only one family at a time may approach the entrance during drop-off and pick-up and if staff are not standing at the door, please call (518)256-9070

Breakfast and lunch will be provided by the school district throughout the summer; menus are linked below and printed copies will be available at program.. A form is e-mailed to families in advance so we can provide the information to the district on Fridays for the upcoming week. We'll also have lunch outside whenever possible so child(ren) will need a towel to sit on.

Everything your child needs each day is listed below in the "Important Information" section. Toys from home are not allowed at this time. Electronics will be allowed this summer, but only during certain times of the day which will be clearly marked on the schedule.

We can't wait for all the fun that is to come this summer! Again, if you have any questions please feel free to reach out.

~Noah, Brianna & Staff

LUNCH MENU: [JULY](#)

IMPORTANT INFORMATION:

Hours of Operation: Camp drop-off begins no earlier than 7:30 am and pick-up is no later than 5:30 pm. *Please note that these times are different than our before-school and after-school programs!*

Needed each day: Lunch, morning & afternoon snacks, towel, change of clothes or bathing suit, water bottle, sunscreen, sneakers for gym/outdoor play. (Please label all items with your child's name and ensure everything can fit in their backpack!)

Sunscreen/bug repellants: Campers are not permitted to share sunscreen or bug repellent. Please send your child with his/her own bottle of sunscreen and/or bug repellent labeled with their name. Permission slip required; may be obtained at program site.

Items from home: Unless otherwise noted on the parent table, toys from home are not permitted.
