

BOGHT HILLS - OCTOBER

CYC School-Age Childcare programs are licensed by the New York State Office of Children and Family Services.

Hello CYC parents! Happy October, hope you are all doing well! My name is Lahtifa Razai, the head counselor/ supervisor here at Boght Hills.

This month's theme will be "spooky season", which is my favorite time of the year. We have some fun crafts and activities planned for this month.

As we jump back into school, students of course have homework to do and my staff and I are more than happy to help them out! There will be a specific time in our schedule when children will do homework; if you would like your child to participate, please let me know.

A few reminders I would like to go over: first being, children should not have their chrome books out unless it's for homework. Electronics are not allowed in CYC! Children shouldn't be bringing toys from home (COVID-19). Please, please, please make sure your children are coming into program with extra masks and an extra change of clothes, weather-permitting we will be spending a lot of time outside.

Another point I would like to go over is, please make sure your children are respecting my staff and me. It is very important that the children are listening and following directions. I have each child in a specific group with a specific counselor. I tried making the groups so that the children have at least one or two friends to play with. The children are not allowed to mix groups.

These were just a few little things I wanted to go over with you all. If you have any questions or concerns, please do not hesitate to ask me or my staff, we will be happy to help you in any way!
