

OMAHA FIELD OFFICE

The 2024 FBI Omaha Teen Academy will be held on June 6th from 9:00 am – 3:00 pm at the Omaha headquarters building.

The FBI's Teen Academy program in Omaha allows a diverse group of high school students the opportunity to develop leadership skills and to investigate the world of law enforcement. Active explorations of fitness and forensic science grow students' minds and bodies while age-appropriate lessons on topics such as violence prevention, sextortion, and hoax threats teach them how to stay safe.

Any student with an interest in leadership and service is welcome to apply for this free opportunity. An interest in a law enforcement career is not a pre-requisite.

Requirements

Students who will be rising juniors or seniors in the 2024/25 school year are eligible to apply.

Students who are 16 or older may be subject to a simple background check process, and they must provide their Social Security number for that purpose. Students 16 and older are also required to show Real ID-compliant photo identification when entering FBI space.

The selection process is competitive, and all students should give their best effort in completing this application. A selection committee will evaluate each application based on a review of the information provided, and no single element (GPA, school/community service, or essay) is disqualifying. Applications that are incomplete, illegible, or late will not be accepted.

Students are expected to advocate for themselves throughout this process, including asking for further information about the program or the application process, if necessary. Students may request information by contacting OM.CommunityOutreach@FBI.GOV at any time.

Applications

Students should submit an application found here - <https://www.fbi.gov/file-repository/2024-omaha-teen-academy-application.pdf/view> by email (preferred) or mail no later than 5:00 p.m. on May 10, 2024. We will notify students of their application status by email no later than May 20, 2024. Students selected to participate in the FBI Teen Academy will be given additional information about the program and will be required to confirm their acceptance into this program. If selected students do not respond to the acceptance email by the deadline given, the student's application will be discontinued.
